

## **Kevin Link's Notes for 2<sup>nd</sup> Hearing May 9<sup>th</sup>, 2019**

---

The hearing proceeded quickly, and I once again met with Officer Werths.

Granite city had a new attorney, compared to my April 18<sup>th</sup> trial.

Officer Werths asked for my plea.

I stated that I had not received a written ticket, and that I was not informed of my May 9<sup>th</sup> court appearance until I was verbally told on May 2<sup>nd</sup>.

The new city attorney then gave me a copy of the citation, and stated she would schedule (a 3<sup>rd</sup>) court appearance in 30 days.

Both Officer Werths and the new Granite city attorney were polite and respectful throughout the hearing.
